PROSPECTUS · 2027–28

Where learning meets serving.

Sixty years of children growing up on four green acres in Faridabad. This is the school, in its own words.

First day

The campus, Sector 7

Since 1965 **CBSE** · Nursery to XII **Co-educational** **Idicula Trust Society** (Regd.)

OUR STORY

Six decades of learning to serve

St. John's School was founded in 1965 by Shri T.I. John under the aegis of the Idicula Trust Society (Regd.). Spread over four acres, the school is a majestic building amid sprawling greens: eco-friendly, pleasant and made for the all-round growth of every child.

> Education has always been the primary focus of progressive civilizations that have contributed to the welfare of the human race. Providing meaningful education to children, so as to shape them into contributing citizens, is a concern shared equally by parents and educators.
>
> Educating children is a complex responsibility. It calls for people who can balance the unstoppable technological growth of this century with time-tested traditions and values, to arrive at that magical balance that can nurture the leaders of tomorrow.
>
> May Lord Almighty be the guiding spirit behind every endeavour of this great institution.
>
> **Late Shri T.I. John**
> Founder Director, St. John's Group of Schools

Our vision
